### BONDING/INSURANCE

The Board of Directors recognizes the need to protect the District from financial loss as a result of actions taken by its Directors and staff.

The District shall be responsible to secure blanket bonding coverage for all Directors and employees in their conduct of District business. In addition, the appropriate bonding will be obtained for employee's who transact financial business for the District.

The Board of Directors shall require individuals or businesses entering into a contract/agreement with the District for service of any kind, to provide insurance coverage for the period of time set forth in a contract and in an amount satisfactory to he District's insurance carrier.

The Board of Directors recognizes the need to protect the District from financial loss due to risk exposure and provide a safe working environment for the District staff and users of the District's facilities and programs.

The Risk Manager shall be responsible for the design and implementation of a Risk Management Plan to prevent unbearable financial loss to the District, subject to approval by the Board. As a part of that Risk Management Plan, the District will make every effort to initiate an ongoing loss prevention program and continuing safety training program.

The Risk Management Plan shall be reviewed prior to each annual renewal date and change in coverage or carriers shall be made when needed or financially desirable. All changes require approval of the Board.
