Re: Street Lights

Per the Pliocene Ridge Community Service District policy, provided to me on 9/6/2006 that 0.11% of the property values of tax rate area 052-001 for the year 2019 to be allocated to street lights.

The disbursement of tax rate area 052-001 for 2019 tax year is as follows: Secured property value \$ 4,293,187; the 1% tax generated is \$42,931.87; Pliocene's portions is 0.11% equals \$4,722.50 for the tax year 2019 for street lights. This will be paid out in three payments over the fiscal year 2019/20, first payment 53%, second payment 37% and last payment 10%.

I hope this helps. If you have any questions, please call.
