

NEPOTISM

It is the policy of Pliocene Ridge Community Services District to seek the best possible candidates through appropriate search procedures. There shall be no bars to appointment of close relatives in any staff category in the same or different departments so long as the following standard is met:

No Board member, department head or employee shall vote, make recommendations, or in any way participate in decisions about any personnel matter which may directly affect the selection, appointment, promotion, termination, other employment status, or interest of a close relative.

For the purpose of this policy, "close relative" is defined as husband, wife, mother, father, son, daughter, sister, or brother.

When an individual is considered for appointment in a department in which an immediate family member is already assigned, review of this fact shall be required at all appointing levels. The objective of this review shall be to assure equity to all members of the department.
