

PAYMENT OF WAGES

Any qualified EMT or firefighter may collect wages.

Payment of wages shall not compromise their volunteer status or exemption within the constraints of applicable statutes.

A copy of the current rates is on file with the Secretary of the District.

Firefighters and EMTs may contribute their wages to the district.

I OES/USFS Mutual Aid Fire Assignments

- A. Firefighters responding to an OES or USFS mutual aid request and remaining on assignment until released by the Fire Chief shall be paid by the district at the rate received by the district as posted on the current California Fire Assistance Agreement letter. Funds shall be generated by the mutual aid response, and shall not encroach on general funds.

II Ambulance Runs

- A. EMTs that accompany patients in the ambulance shall be paid by the Downieville Fire District in accordance with the Downieville Fire District policies and procedures.
