

Pliocene Ridge Community Services District
Policies & Procedures: Zones & Depts **Policy 4000**

STREETLIGHTS

The Pliocene Ridge Community Services District is responsible for the management of the streetlights in Alleghany and Forest City.

A streetlight zone shall be established within the district. The original allocation set by the Sierra County Board of Supervisors at the beginning of the district's formation is \$5,162.00. (01/14/05 letter from V. Maddox, Sierra Co. Auditor filed under PRCSD, CORRESPONDENCE 2005.) This base funding represents approximately .11 percent of the tax base for the streetlight zone. Annually, the Sierra Co. Auditor will identify the amount being funded for street lights.

The streetlight zone boundaries shall coincide with the boundaries of the Alleghany County Water District, tax rate area #052001, as of June 2004; and include the Forest City streetlights existing as of June 2004.

These funds will be used solely for streetlights and reported separately in the district's monthly and annual accounting.

In the event the annual allocation exceeds the expenses, the balance of funds shall be rolled forward until such time as they may be needed to pay for increased expenses.

In the event that expenses for streetlights exceed the annual revenue, a meeting of the residents and property owners of Alleghany and Forest City shall be called by the Streetlight Manager to address the problem and make a recommendation to the Pliocene Ridge Community Services District Board.

No new lights shall be added to the system without approval of the Board of Directors of the Pliocene Ridge Community Services District.

Pliocene Ridge Community Services District
Policies & Procedures: Zones & Depts Policy 4000

STREETLIGHTS Cont.

I Streetlight Manager

- A. The Pliocene Ridge Community Services District Board shall appoint a Streetlight Manager who is a member of the Alleghany or Forest City communities.
- B. Duties
 - 1. Report maintenance problems to P.G. & E. and encourage citizens to do the same
 - 2. Report to the board any issues that may require action by the board.
 - 3. Call and preside at any community meeting necessary to address the issue of streetlights.

II Funding

- A. The district Treasurer shall report all streetlight zone revenues and expenses separately from all other district funds.
- B. Any funds not expended shall be carried over into the next budget year as streetlight funds.
- C. In the event that expenses exceed available funds, the Streetlight Manager shall call a meeting of Alleghany and Forest City residents and property owners to recommend a solution to the district at the next regular board meeting.

III Operation

- A. All streetlights in the communities of Alleghany and Forest City that are currently in operation shall be listed in Appendix A of this resolution.
- B. To add an additional light to the current configuration, the property owner shall be responsible for the increased expense.
- C. Maintenance of streetlights existing as of June 2004 is the responsibility of P.G.&E.
- A. Shut off of any service as defined in Appendix A of this regulation, shall be by a recommendation from the community and a Resolution of the Board.
